The state Y. M. C. A. convention held at St. Johnsbury last week was a very successful affair. The state committee elected W. J. Van Patten, chairman; J. N. Bars of Vergennes, vice chairman; G. F. ## Caledonia County Politics.

The senatorship from the north part of the county seems to be practically settled and L. A. Darling of Burke will be the republican candidate. Burke people have decided to present no other name from that town and if they make a united demand it is probable the county will endorse their man.

In the south part it looks as though the issue would be fought out between C. A. Calderwood and W. A. Ricker. It was talked for a time that H. H. Carr might enter the contest but he has told his friends that he shall not do so. This leaves Ricker and Calderwood a clear field with both confident and the final choice open for discussion.

Judge E. W. Brown of Waterford will be a candidate for reelection as assistant judge and it is said that Dr. S. A. Jones of Sheffield and possibly Fred Hoffman of Lyndonville may seek the other assistant judgeship.

Very little is said regarding the state's attorneyship and the only avowed candidate is R. A. Norton of Lyndonville.
